RE: NEA Fund for Children & Public Education  
Identification Number: C00003251  
September Monthly Report (8/1/01-8/31/01)

Dear Mr. Walker:

This letter is in response to your letter dated April 3, 2002, regarding the above-mentioned FEC Report. This letter clarifies two items: 1) the nature of the "Bank transfer to our Non-Federal Account" on our Schedule B, line 21b and 2) the way in which our Gnosso software reports payroll deductions on our Schedule A's, line 11Ai. The first item is an inter-account bank transfer from our Federal Account to fund our Non-Federal Account for the NEA Fund for Children and Public Education which is the name of the recipient.

As for item 2, our Gnosso software (referred to as Keep In Touch) reports monthly payroll deductions and also automatically tracks other previous contributions made by an individual and reports the aggregate for that individual. Keep In Touch allows one to select the form of contribution from a drop down list and does not offer another space to describe how often payroll deductions occur. In our case, the reporting of our payroll deductions is calculated and reported on a monthly basis.

We apologize for any confusion this has caused. Thank you for bringing this to our attention. If you have any further questions, please feel to contact me at (202) 822-7406.

Sincerely,  
VJ Krishna  
Assistant Treasurer
